VI Background information on Agency/Department/Section

Reporting directly to the Under-Secretary-General, Department of Field Support, the Senior Leadership Appointments Section serves as a centralized resource supporting the identification and selection of senior leadership in the field. The Section provides a proactive and strategic approach to identifying and attracting potential candidates for Heads and deputy Heads of DPKO, DPA or DFS-led Missions in order to enable the Secretary-General to select the most suitably qualified individuals, with due regard to geographical distribution and gender balance.

Over the years, SLAS has initiated and/or supported major changes to succession planning and selection processes of senior leaders in the field, always with special attention to improving the representation of qualified female candidates. It has also significantly improved other phases of the life cycle of leadership such as on-boarding,

induction and leadership strengthening including through the launch in 2014 of a leadership partnering programme.

Key principles and objectives specific to the Section include: handling of highly confidential information with the utmost discretion; frequent interaction with high-level officials and senior leaders; aspiring to improve the quality of senior leadership in the field, increase geographical diversity and contribute to the achievement of gender parity.
